

United States Air Force

BY ORDER OF THE SECRETARY OF THE AIR FORCE

CERTIFICATE of PROMOTION

CONGRATULATIONS ON YOUR PROMOTION TO THE RANK OF STAFF SERGEANT, E-5

EFFECTIVE: 01 JULY 2022

KYSER J. CLARK

In 1947 when the Air Force officially transitioned from the Army Air Forces the Service took with it several ranks to include Staff Sergeant and with this rank a long and prestigious history. Now that you are a SSgt, the first non-commissioned officer rank; you are considered a highly skilled technician with supervisory and training responsibilities. You must continuously strive to further your development as a technician, supervisor and leader. You are responsible for your subordinates' development and the effective accomplishment of all assigned tasks and the mission.
